

CIRCULAR

The policy regarding the awards and punishments was uploaded on the school website in October 2016. This is still applicable and will remain in force in the years to come.

- The two cycle tests for the First Semester in the session 2016-17 will not be considered for any punishments/ awards.
- Separate penalty will be given for cheating cases caught with evidence (written material). In such cases : for the first time, 20% marks will be deducted along with a warning letter. In case the same student indulges in unfair means again then he/she will get the same penalty coupled with debarring him/her of all honours for that session.
- In case there is no material evidence against cheating case, then for first time offenders a 10% deduction from the total marks for that exam will be done along with an undertaking. For second time offenders in this category, a deduction of 20% marks with a warning letter will be the punishment alongwith debarring him / her from receiving any honours for that session.
- All children should be given a fair chance to represent their cases to claim the Gold Medals under various categories for proficiency awards. The criteria for claim would be as follows :
 1. International Achievement 10 marks
 2. International Participation / National Achievement 8 marks
 3. National Participation / State level / Inter DPS Achievement 6 marks
 4. State level / Inter DPS Participation / District level /
Inter School Achievement 4 marks
 5. District level / Inter School Participation / Intra School Achievement 2 marks
 6. Intra School Participation 1 marks

These nominations will be reviewed by a committee at different levels. If the achievement / participation is at an International Level then recognition in the form of a Gold Medal should be given. One category of Medals can have more than one recipient. A student can get more than one Medal under separate categories.

- If a child has already got a certificate for the competition, then he/she will not be given another certificate again by the school for the same.
- To be eligible for the Scholar Badge Award one year's performance at DPS Faridabad is a must for students coming from non-DPS Schools.
- Students who do not turn up to receive Badges / Prizes / Medals etc. on the day of the function, will not be given the same unless permission is sought from the competent authority.
